

Lazy Larry's ice creams

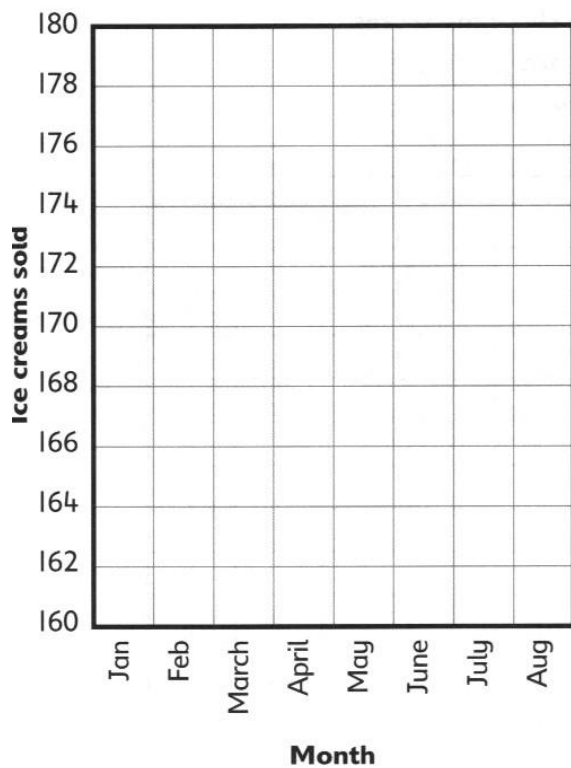

Larry the ice cream salesman needs to create a graph that will make his sales figures for January to August look good.

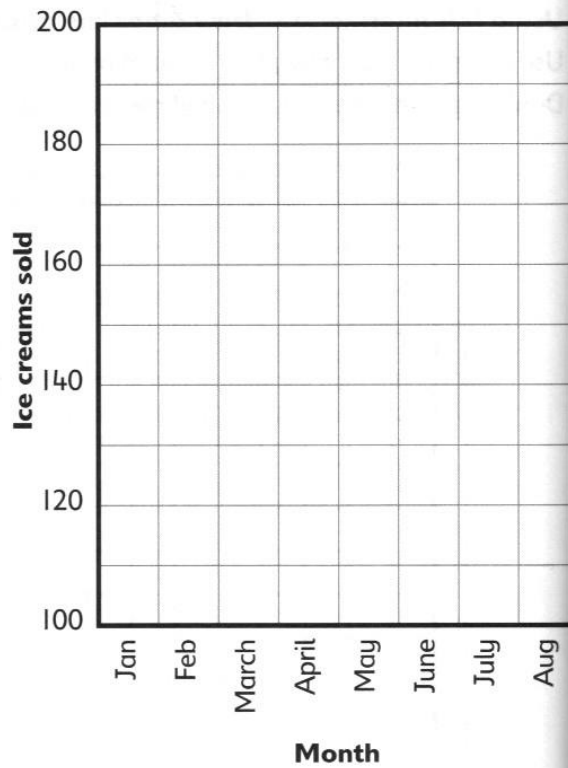

Transfer the data from his sales chart onto the two graphs provided below. They have different scales.

Month	Jan	Feb	March	April	May	June	July	Aug
Ice creams sold	162	166	164	170	170	176	174	178

Sales Graph 1

Sales Graph 2

Which graph shows the sales figures in the best light? _____
