**You will need:** 20 consonant cards; 10 vowel cards; a 30 second timer; paper; pens or pencils

#### **What to do:**

1. First, choose a vowel or consonant card to display.
2. Then repeat until you have selected ten cards in total.
3. Next, start the timer and time 30 seconds.
4. Once the timer starts, write down as many words that you can from the letters shown. The longer the words the better.
