

# Our Class Charter

We want our class to be a fair and happy place.

So, we promise to...

- Be kind, friendly and polite to everyone and take care of each other
- Try our best and work hard
- Be honest if we have done something wrong and put it right
- Respect ourselves, others and the belongings of others
- Listen to all adults and do what they tell us to do
- Remember not to retaliate if we are angry and go and tell an adult
- Listen to each other's opinions respectfully even if they are different to ours
- Try not to distract others and ignore distractions.
- Include others in our games especially if they are lonely
- Be happy and have fun!
