

Geography of Italy

- Location of Italy, seas, bordering countries, capital city
- Physical Geography - The Alps and Apennines compare and contrast
- Physical Geography - rivers and volcanoes - a comparison with the UK
- Human Geography - cities and culture

Science - Plants

Working Scientifically

- Identify and describe the functions of different parts of flowering plants: roots, stem/trunk, leaves and flowers
- Explore the requirements of plants for life and growth (air, light, water, nutrients from soil, and room to grow) and how they vary from plant to plant
- Investigate the way in which water is transported within plants
- Explore the part that flowers play in the life cycle of flowering plants, including pollination, seed formation and seed dispersal
