

Science – Forces and Magnets

- Compare how things move on different surfaces
- Notice that some forces need contact between 2 objects, but magnetic forces can act at a distance.
- Observe how magnets attract or repel each other and attract some materials and not others.
- Compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet, and identify some magnetic materials.
- Describe magnets as having two poles.
- Predict whether two magnets repel each other, depending on which poles are facing.
- Develop working scientifically skills for Year 3.
- **Science Quest**

Music

Charanga music - Glockenspiel Stage 1

Computing

Online Safety, Basic Document Skills

Outdoor Learning

Forest School
Use of outdoors across the curriculum to enhance learning

Modern Foreign Language (French)

Phonics, numbers 1-12,

Autumn Term 1st Half 2023

Hazel Class Y3 Mapping Galgate

PSHE Autumn Term

Feelings and Emotions Behaviour: bodies and feelings can be hurt
