They also talked about a possible art day and more school trips. We talked about trips being expensive and the reasons why we have them when we do.

Year 3 - they talked about children still sitting on the broken swing at lunchtimes. They also talked about possibly having more equipment to use in the playground - large equipment.

Year 4 - nothing to report - Charlie and Mia to organise a time to talk to their class

Year 5 - A possible tree planting club.

Year 6 - The use of the sensory room and library - we talked about speaking to Mrs Poole about this.

Peace control monitors - children who can help if there are fallouts in the playground.

2. Red Nose Day -

I asked the children to think about ways to fundraise either at break or lunchtime. We will meet after half term to plan an assembly.
