WELCOME TO YEAR 4 !

Welcome Back! I trust you have had a lovely summer break and are raring for action in Year 4; we will be reaching for the stars this academic year! It will involve lots of hard work, but I'm sure we will have lots of fun along the way. I hope the following information helps the transition from Year 3 to Year 4 run smoothly. Our new Teaching Assistant is Miss Dale and Hayley (Miss Mills) working with us. Mr Walsh will teach the class every Wednesday and on a Monday afternoon. We operate an open door policy so if you need to come and see us, please feel free to do so.

Mrs Quinn

HOMEWORK

Homework will be given out every **Friday** and will needed to be returned by the following **Friday** at the latest. Children will also be given timetables and we will be sending home a list of spellings that we will focus on in class. There will not be a formal test but we will regularly assess the progress of children's spellings in class.

THE MTC

The multiplication tables check (MTC) is **an online, on-screen assessment given to pupils in year 4**. It checks their ability to fluently recall times tables up to 12x12. We will send more details on this later in the year.

P.E.:

Please bring suitable kit for both indoor and outdoor lessons including trainers or pumps in order for us to go outside as much as possible. Swimming will take place after October half and I will send more details nearer the time.

RESIDENTIAL

Children will take part in an overnight residential to Hothersall Lodge in April 2026.

Children are encouraged to bring bottles of water to school each day.

READING

Please ensure your child reads at home as much as possible. We will also read with children in school, during Guided Reading and individually.

TOPIC

Our first topic is 'Walk Like an Egyptian. We will also be covering lots of other exciting topics across the year.
